**State Brochure Project**

**Directions:** These are the specific instructions for the completion of the State Brochure Project.

Students will be creating a state travel brochure on a select state. This is not intended to be an independent project. It will be assigned, one section at a time, under direction of the teacher. Students will need to meet certain assignment deadlines to receive full credit. Some work will need to be completed at home, but explanations will be given, and examples shown in class.

Using 18” X 12” drawing paper (supplied in class) the students will create a travel brochure about their state. The paper needs to be folded so that it has three sections on each side. Each section needs to be:

**Cover**
